

Research Pricelist, study specific activities 2025

The pricelist includes study specific activities in clinical studies. Prices are based on cost for actual time spent. For Phase I- or other complex studies, prices may need to be adjusted for each specific study. Please note that Karolinska University Hospital adds an overhead on all external research costs of 15%. If you have questions regarding the Karolinska University Hospital pricelist, please contact katarina.risbecker@regionstockholm.se
