OUR FOCUS AREAS

1. Karolinska - a global provider

2. Capacity and access - at all times

3. World leading competence

4. Best quality and patient safety

5. From research to patient benefit

6. The smartest hospital

Leading the future development of Nursing

Karolinska University Hospital - Strategy for Nursing

We advance and support nursing **leadership**

We drive **professional** development to create excellent care for the **future**

We co-create innovation to implement **improvements**

We provide **excellent** nursing care based on measurable results

Together
we are Karolinska

We develop and support nursing **leadership**

- Everyone takes responsibility for and are active in their role
- Highly competent staff are close to the patient

We drive **professional** development to create excellent care for the **future**

- A clear path for professional development
- Encourage development of new competence
- A sustainable working life

We co-create innovation to implement **improvements**

- "Dare to test something new"
- Drive the creation of new techniques and technologies and integrate into daily nursing care

We provide **excellent** nursing care based on measurable results

- High quality care is person centred and evidenced based – Care at Karolinska involves and is co-created by patients.
- Karolinska is an obvious choice for patients.
- Patient focused nursing variables are present in all quality registers
- Daily evaluation of quality in nursing care

Together
we are Karolinska
